

Employment

- 2020-present Assistant Professor in the Department of Information, Risk and Operations Management at the McCombs School of Business at The University of Texas at Austin
- Core member in the Machine Learning Laboratory at UT Austin
 - Affiliated faculty at Oden Institute for Computational Engineering and Sciences at UT Austin
 - Research affiliate, Misinformation & AI at UT Austin
 - Research affiliate at the MIT Media Lab
- 2025-present Courtesy Faculty in the Department of Computer Science at The University of Texas at Austin
- 2024-present Courtesy Faculty in the School of Information at The University of Texas at Austin

Education

- Ph.D. Massachusetts Institute of Technology (MIT), Cambridge, MA, USA**
2017-2020 MIT Media Lab, Human Dynamics Group
- Master of Massachusetts Institute of Technology (MIT), Cambridge, MA, USA**
Science Computer Science at Electrical Engineering and Computer Science Department
2013-2016
- Master of Massachusetts Institute of Technology (MIT), Cambridge, MA, USA**
Science Transportation Engineering at Civil and Environmental Engineering Department
2013-2016

Journals

- [1] **Yan Leng**, Yunxin Sang, and Ashish Agarwal. Reducing Disparity Between LLMs and Humans: Optimal LLM Sample Calibration. Accepted, *Marketing Science*.

*Equal contribution.

Research Awards

- April 2026 CBA Foundation Research Excellence Award for Assistant Professors.
- Oct 2025 Best Paper Runner-up at INFORMS Data Science Workshop
- Jan 2025 Best Associate Editor for the ICIS 2024 Track: Data Analytics for Business and Societal Challenges
- Oct 2024 Best Student Paper Award at INFORMS Data Science Workshop.
- Nov 2022 Finalist for Meta People’s Expectations & Experiences with Digital Privacy Request for Proposals.
- Oct 2022 2022 INFORMS ISS Cluster Best Paper Award.
- June 2021 Second prize in INFORMS Revenue Management and Pricing Data-driven Challenge.

Grants

- Oct 2023 - Aug 2025 National Institutes of Health (NIH)’s AIM-AHEAD Consortium Development Program (Received a joint \$1,000,000 Grant with Prof. Ying Ding, Yifan Peng, Watkins Craig, and David Hodge).
- Feb 2022 - Aug 2024 National Science Foundation (NSF) CRII Award (\$154,231).
- Jan 2026 Tinker research grant award (\$5,000).
- Feb, 2025 Herb Kelleher Entrepreneurship Center (HKEC) Grant (\$5,000)
- Feb, 2025 McCombs Research Excellence Grant (\$13,400)
- April 2024 OpenAI Researcher Access Program (\$5,000).
- Nov 2023 UT Austin Research & Creative Grants (\$9,860).
- Oct 2023 McCombs Research Excellence Grant (\$10,000).
- Oct 2023 Research Grant from Herb Kelleher Entrepreneurship Center (\$5,000).
- May 2023 Texas Global Faculty Research Seed Grants (\$10,000).
- March 2023 McCombs Research Excellence Grant (\$10,000).

- Dec 2021 Marketing Science Institute Grant Award (\$15,000).
- March 2021 McCombs Research Excellence Grant (\$10,000).
- Sep 2018 Russell Sage Foundation Grant Award (\$7,899).
- Nov 2016 MIT IDEAS Global Challenge Grant (\$5,000).
- Nov 2016 MIT Sandbox Innovation Fund (\$1,000).
- Aug 2016 Harvard Sustainability Grant (\$1,000).

Teaching Awards

- April 2026 McCombs BBA Faculty Honor Roll for Gen AI in Business and Social Sciences.
- April 2025 McCombs BBA Faculty Honor Roll for Intro to Problem Solving and Programming.
- April 2024 2023-2024 Trammell/CBA Foundation Teaching Award for Assistant Professors.
- April 2024 McCombs BBA Faculty Honor Roll for Intro to Problem Solving and Programming.
- Dec 2023 McCombs BBA Faculty Honor Roll for Intro to Problem Solving and Programming.
- May 2021 McCombs BBA Faculty Honor Roll for Intro to Problem Solving and Programming.

Professional Service

- 2026- Associate Editor, Agentic AI and Human-Agent Collaboration in Business, Decision Sciences
- 2026- Guest Associate Editor, Information Systems Research
- 2026 Gold Reviewer, International Conference on Machine Learning (ICML)
- 2025 - present Editorial Board Member, Information Systems Research
- 2025 Program Chair for INFORMS Data Science Workshop
- 2023, 2024 Associate Editor, International Conference on Information Systems (ICIS)
- 2024 Ignite (Short Talk) Session Chairs for Workshop on Information Technologies and Systems (WITS)
- 2020 Local Chair for Workshop on Information Technologies and Systems (WITS)
- 2020- Reviewer for management journals, including Management Science, Information Systems Research, MIS Quarterly, Production and Operations Management (POMS)
- 2020- Reviewer for computer science conferences, including NeurIPS (Neural Information Processing Systems), ICML (International Conference on Machine Learning), The Web Conference (WWW), AAI (Association for the Advancement of Artificial Intelligence)
